Sophomore Board

More teachers, more books and more
dirty looks (from seniors).
No one ever let you forget
that you were a sophomore . . .
Especially
when you did something wrong,
like lose your elevator key.
But then, isn't there a little
sophomore in everybody?
You'll return next year,
along with the Alma Mater,
football games, inflation, intercom
announcements, watery student lounge
cokes
and pollution.
Being a sophomore wasn't so bad after
all . . .
i.e.,
first day of school,
dating a senior, Hale dances,
the sophomore picnic,
falling downstairs,
New Math, B-squad,
shaved heads for swimmers,
the Soph./Junior Play,
a new principal, floating schedule,
drivers ed., lunch pass,
16 and never been kissed,
sophomore battle cry,
Huck Finn and Coach Gill's tests.

Wrestling

Wrestling—
is mats with cheerleader laced borders
edged in spirit.
It's water, weight and wonder.
You thirst from no-water workouts.
You starve from pulling weight and
you wonder what takedown or escape to use
out there when the day finally comes.
Roll out, duck under.
He's stronger, you're quicker.

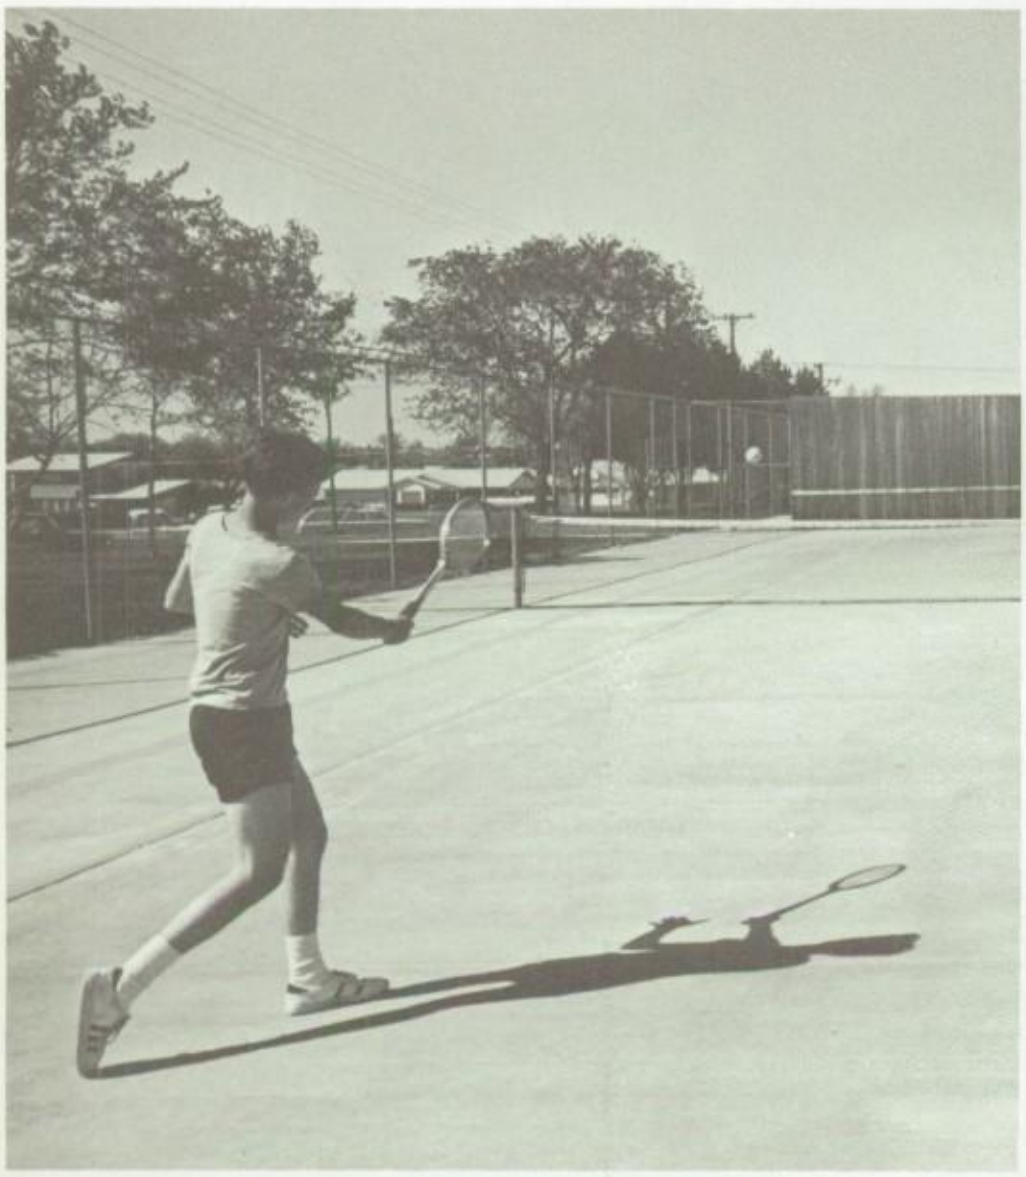
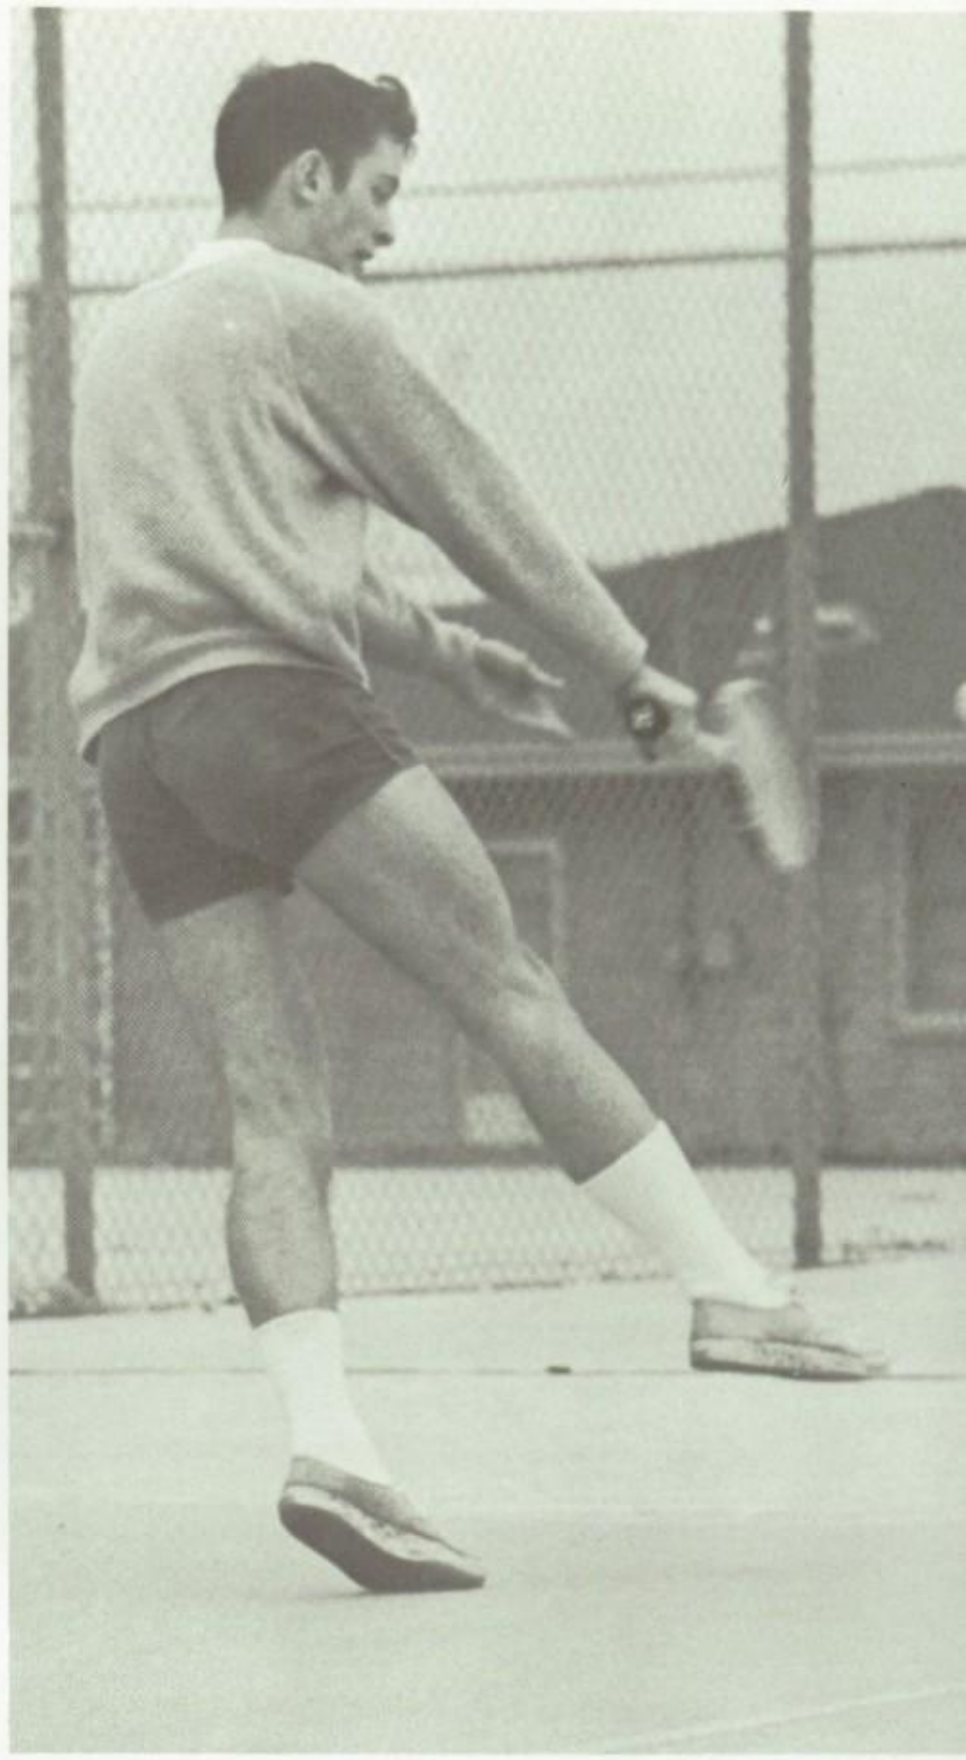
Tennis

The top twelve.
Playing, ranking and winning with woven
rackets and white balls.
Practicing on boards with only yourself for
company and then,
the match.
The match where you lob the ball
way over their heads, rush the net.
Then reach your racket way out
and maybe get scraped on pebbly cement
in return.
The season's too short or you're too slow—
Just as you get good, it's over.
The season's over.





Golf

Practice leads to improvement and
improvement to skill with steady hands and eyes.
Free passes to Mohawk Golf Course where
fore-letter words and woods,
golf bags and balls,
birdies and bogeys,
meet head to head.

Track

ADIDAS runs under blisters, cramps and
shin splints.
Our feet take us where we must go
while we shape our shoes, and
they say we live by what we do.
High jumps past pole vaults,
batons passed from hand to hand,
discus burping circles and
hurdles in uniform lines.

Principal H.J. Green

He's young
in spirit
and thought,
puts new ideas to work . . .
faculty-advisory committee,
teacher workroom,
student lounge,
Christmas parties,
having lunch with seniors,
a yearbook assembly,
and
recognition to students
in assemblies.
He likes to play golf,
but says he's not too good
on the green.

Internal strife.

Fifty two chaps
working manhours

at rummage sales,
for the Salvation Army
and March of Dimes.

They listen to Charlie Jones,
watch freak films
shown by T.U. students,
and make written reports
to the District Governor.
Supermen? Not really.

They do enough work

Demoiselles

Fifty-five girls who serve our community.
We ushered at plays,
made a Thanksgiving basket,
Christmas stockings,
marched for dimes,
had a clean-up drive,
a picnic to replace
our annual banquet.
(Remember the breakfast
when two girls ordered
hamburgers and french fries
at 7:30 A.M.)

Pep Club

A simple plan for unity:
A new look
plus a revived name
equaled a new enthusiasm.
We had activities like yard

a coke party after practice,
breakfasts before school,
collecting money for the Shoes for Tots
and sponsoring the Coronation and the Turn-a-bout.

Intramurals

Was this an intricately plotted scheme? Yes! It was a plan to get us involved in something besides ourselves. It was a plan to give more people an active role in school! What better way than through various sports and competition with other counseling rooms? It worked and we had a gas!

Reginae Aquae

If you can do a ballet leg, a fish tail,
then submerge, you can do an Eiffel Tower.
If you can float, do a tub, a backwards somersault
and tread water on your stomach,
you can do a flower pot.
Try a Catalina, Chain Dolphin or a Summer-Sub.
To be a member means knowing these intricate
stunts,
a standing front dive,
how to hold your breath for eons and not get water-logged, tolerate cold H_2O,
burning Cl. and frizzies.
It's nice if you know how to swim, too.

School Life

311.
311 is an informal room.
Out of it, during fourth hour,
comes the School Life Staff.
18 weeks study of newspapers,
18 weeks of advertising,
careers and yearbook theory.
Learning how to count headlines
and write them to fit, brings us
pure pleasure
Staff members are assigned
a beat and follow that club's
activities throughout the year.
Some School Lifers would walk a
mile
for an inch of copy or a byline
about a club that isn't active.

Lone Ranger

Lone Ranger did Absolute Zero . . .
On the other hand,
they did
Ying Yang, Reader's Rap,
good layouts and eight
and twelve-page issues.
Special features included
in depth articles on
Dr. Spock,
communications media and
Ralph Nader.
More play and movie reviews.
In their spare time,
they produced a paper
every two weeks.
A unique paper,
(termed as "radical" by some)
produced by a bunch
of various and sundry
personalities.

You don't eat it,

And we won it,
and brought it back

You don't buy it, or make it, or get it,
you earn it. We earned it at clinic

Another Queen?
No, not another queen. The queen.
Elected by the student body.
Queen Vickie.
A girl who represents Hale by being herself.
No facade.
Vickie Stow-collects china dolls, has 3. plus grade average, loves people, family, God and chocolate pancakes.
Vickie smiles,
and makes those who know her want to smile
No, not just another queen.

National Merit Semi-finalists

A lot of sweat and worry; twelve years of grind and work and preparation; not for the body, but for the mind. A hundred letters from a hundred schools, coupled with a lot of praise. To be a National Merit semi-finalist is quite an honor. But we worked for it and we earned the title.

And the semi-finalist said,

"$$V = \lim_{\Delta t \to 0} \frac{\Delta s}{\Delta t} = \lim_{\Delta t \to 0} \frac{f(t+\Delta t) - f(t)}{\Delta t}$$"

And so it was!

Patriot, i.e., Us.
Individuals
made this book
for you
to show
that we are all unique
And
because we are
unique,
the best way to
express our
individuality,
was through
varied
copy, divisionals
and pictures.
IE,
no limit on copy
nor restrictions
on words,
no padding of
clubs
nor organizations.
Patriot reminded you
of the pleasant thoughts —
like
no school holidays, sharing
your best friend's happiness
and candy bar breakfasts at 8:30
a.m.,
and encouraged you
to forget the
unfortunate memories of
lost textbooks, forgotten locker
combinations, fights with your
lover
and overdue sleep coupled with
those Monday mornings.
You were
yourself
when
you made
Patriot.
